## **DETAILED ACTION**

### ***Drawings***

1. The proposed drawing correction and/or the proposed substitute sheets of drawings (for reference number 82), filed on 30 May 2003 have been approved. However, a new corrected drawing of figure 1 (Fig 1) is required in this application because there is no reference number 80 being shown on the figure 1, as which is submitted on 11 June 2002.

New formal drawings are required in this application because the application is in condition for allowance.

Applicant is advised to employ the services of a competent patent draftsman outside the Office, as the U.S. Patent and Trademark Office no longer prepares new drawings. The corrected drawings are required in reply to the Office action to avoid abandonment of the application. The requirement for corrected drawings will not be held in abeyance.

### ***Claim Objections***

2. Claims 3, 4, 6 and 24 are objected to because of the following informalities:

Claims 3, 4 and 6 should change their dependency to claim 1.

Claim 24 should change its dependency to claim 15.

Appropriate correction is required.

***Allowable Subject Matter***

3. Claims 1, 3-22 and 24-28 are allowed.

The following is an examiner's statement of reasons for allowance:

Claims 1 and 15 have been rewritten including the allowable subject matter of claim 2, which has been indicated in the previous office action.

Claims 3-8 and 14 are dependent on claim 1. Claims 16-22 and 24-28 are dependent on claim 15.

Claim 9, the under cabinet lighting assembly further includes a battery source for providing back up power and emergency lighting.

Claim 10 is dependent on claim 9.

Claims 11-13 have been rewritten into independent form, which include all the base limitations and the allowable subject matters.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***

4. This application is in condition for allowance except for the following formal matters:

Drawings and Claim Objections as set forth above.
